“ *I will cherish my beautiful childhood memories of my sweet Aunt Polly. As a young girl, I loved visiting with her and she was so kind to us siblings. It was always a treat to have one of her delicious meals and she could charm you with her conversation while she seemed to effortlessly create that meal! I hung on to her every word back then. Later, as a young Mom, I returned to spend adult time with her and it was, as if, the years had stood still. My daughters became who I had been - loving time with their "Aunt Polly" as well. Much later, she was here, in Florida, in my own home with my Uncle Ernest, and I was able to "wait on her" for once!! My dear Aunt Polly, I loved you much. Rest now, peacefully. You leave behind, your smile and some wonderful memories. My love goes with you.*
