“ Prisilla and I were best best friends back in 1984. We both loved Duran Duran. Especially Simon Le Bon. I can't tell you how sorry I am to here about her passing. I was hoping to reconnect with an old friend. I was very sad to discover that I was only 2 months 2 late. I always hoped we would meet again. When I knew her on Darby Close. She was living with her Aunt and looking after her brother. She was truely a great friend. I have missed her and will miss her forever. I am so sorry for her family. God Bless her and may she rest in peace.###imported-begin###colleen taylor###imported-end##

“ Dear Family of Priscilla Manguba,
I am sorry about the loss of your loved one. Words cannot describe feelings in a time like this. Many have found comfort in the Bible's promises of seeing our past loved ones again such as at John 5 verses 28 and 29. Take care of yourselves and keep memories of your past loved one close.##imported-begin##D. Millie W.##imported-end##
