“ Miss Rachel was a very special lady. I cared for her very much and always enjoyed our visits together. She loved her girls so much and always spoke of Greyson and how well he was doing in school. She was so proud of him.

Miss Rachel was like a grandmother to me and I have thought of her often since she moved from her home on Lisbon.

Thank you for sharing her with me. I still have the Christmas figurines she gave me before she moved. My children, Julie and Josh still ask about her too. She was a lovely person who loved God and her church and I know she is with the angels. God Bless you and your family. Barbie Hendriks##imported-begin##Mark and Barbie Hendriks##imported-end##
