“RIP”, Randy although we didn't stay in touch with each other in these later years, as much as we used to. You and your family were always some of our favorite relatives and you will be greatly missed by the Nelson family, Roy & “cousin” Irma. We are looking back in our memories as we write this and are remembering a lot of fun and memorable times that we shared together. You will be missed by all the people you touched in your life.
