Tribute Wall

“ To The Family, I read of your loss and want to express my deepest sympathy. I also want to share the comfort of John 5:28,29 which assures us that those who have fallen asleep in death will receive a "resurrection" back to life on a restored paradise earth. Revelation 21:4 says, "He will wipe out every tear from their eyes and death will be no more, neither mourning nor outcry nor pain be anymore". While we await that wonderful time, please find comfort in these promises. Sincerely,##imported-begin##Mrs. Jordan##imported-end##

“ Reggie was a good guy and great mentor to me when I was an apprentice. He always seemed to know the correct way to do things which often wasn't the easiet way to make the final product the very best.
He will be missed by all who had the priveledge to know him and work with him during his career

“ Our family wishes to express our condolences to your family. We use to live next door to your family in Alexander Academy Park. We remember Reggie as a kind person and friend. We have good memories of that time. I was in Clifton Forge visiting my brother, David, in the hospital this weekend and someone had brought the newspaper from home. So much time has gone by since I've seen your family. Know that our prayers are with you.
