“ *To Betty and family, May the grace of God be with you during this time. May His peace bring comfort and reassurance of His Love for you every day. Ricky was easy to know and be around. I remember him from Naval Hospital days. He could always make me laugh and stop "stressing" over things I couldn't do anything about. I still have the elephant container from the plant he gave me during his time at work. Betty, you are in my prayers and thoughts. Love, Albertha Johnson*
