There is another angel in heaven that will shine bright. Ricky will forever be in the hearts of those that loved him. I had not seen him since he was a child , but remember his adorable face . Ricky was my nephew and I too will miss him. Rest in peace in the glory of GOD.*

“ We remember living next door to Butch and Jackie at Plantation Mobile Home Park at Bowers Hill for about 6 years. When our daughter was born, she became part of the Morrow family close enough to enjoy their candy dish or cookies. Their Nanny was ours. Kitty was such a special friend even to the end.

As soon as our daughter could stand and toddle around, Ricky would stand so still and let her learn how to zip and unzip his jacket. He was a joy to have around. We will always cherish each of Butch and Jackie's family.

Blessings beyond your dreams as each of you let our Lord, Jesus Christ lead you through this most difficult time in your lives. Strength for each day, hour or moment.

We love you all,
Dennis & Georgine Armstrong
