“ *We were very sorry to hear that Mr Parron has passed. He was a good man; although many years had passed since we last talked, I'll always remember him as being a kind, down-to-earth soul. Peace be with the family.*

“ *Mr Parron was a good man. He'd fixed neighbors cars, put out a fire in my parents house- lol, and he was an occasional golfing partner of my Dad's. May God bless the family during this difficult time.*
