Richard Albright, also known as Ricky Albright, the owner of James River Tree Service and lifelong resident of Chesapeake Virginia passed away on May 29, 2021 at the age of 53.

Richard was a native of Chesapeake Virginia and graduated from Western Branch High School. He went into the family business of an electrical tradesman until later becoming the owner of James River Tree Service.

Richard was a devoted father and a passionate outdoorsman. Anyone who talked to Richard knows he loved to brag about his boys and the men they both have become. You could always expect to find Richard in the woods, on a boat, or in his lazy-boy asleep. Richard was known for being tough to work for, but was also the most selfless person you could ever meet. Richard has touched many lives and will be greatly missed.

“ In life you're lucky if you have a true friend, one you can count on, trust and know they are there if needed. Richard was my true friend where we spent many a day hunting and fishing sharing with each other both personal and business issues. Richard had a kind heart often helping someone that needed help. His primary devotion was to his son's guiding them through life's journey. I will miss my true friend but knowing he is with the Lord gives me comfort that he is with the best friend one could have. Thank you my friend.

“ Richard and I were friends from an early age and kept in touch throughout the years. His kind and easy way made everyone feel like a friend. His love of his family and the outdoors was special. I always had fun whenever we spent time together. He loved his family so much. I know you will miss him more than anything, but know that he is with you now and always. I will be praying for peace and healing. He is gone from this Earth way too soon. I will miss him.

We are truly going to miss you after being friends for over 2 decades. Your friendship was priceless. David always enjoyed the hunting trips and conversations at the end of the day about how many deer they missed. He also loved going out on the boat fishing and complaining about the ones that got away. You were one of a kind and we're glad we got to share life's ups and down with you. May you feel no more pain and breathe in deeply that heavenly air. 🌹
