“ Through a close friendship with her nephew and his family, we were blessed to have shared a number of holidays with "Miss Rivers" during the last five years of her life. We wish we could have known her longer. She was a true southern lady - one of the last of her kind. We will miss her dearly.##imported-begin##Bill & Deanna Bruce##imported-end##

“ I have warm memories of Mrs. Stublen as our house mother at Maryview in the 1960's. She was always easy to talk to in the evenings after school and work. My condolences to your family.##imported-begin##Barbara Weise##imported-end##
