“ Like many of us, my time spent with Rob was limited to the distance between us. I wished we lived closer, I know he would have been a great friend as well as brother-in-law. One of the best traits of a good friend, is knowing "where he stood" and being "straight" with you. Robert had this trait. If Rob said it, you could count on it. Like a true friend would be. Prayers for Sis, Cheryl, Tracy and all of his family. Love to all, Tony
