“ *My grandpoo was the easiest going man I have met to date. When God made him He really did make him in his likeness.He always listened even if you did not think he was. He never never raised his voice. And patience wow..I have never seen someone with that kind of patience.Now God has waited for him to come home for 88 years.I am so very fortunate that he was my grandfather. I really miss him and am so glad I knew him...All my love grandpoo--Stephanie##imported-begin##Stephanie collins##imported-end##*
