“ *Dear Janice,*

I cannot tell you how sorry I am to hear about Robert. Up until about 2 and a half years ago he and I were "joined at the hip" so to speak for about 5 years. We had a lot of great times together and we also had our share of struggles. From the good times and the bad times we seemed to always be there for each other. Sometimes when we went out, people would often think that we were brothers. We always made each other laugh and sometimes cry. He was indeed my best friend. I have many, many great memories with Robert and that is something I have thought about so much these last few days. I miss him so much. Please know that you, his family, and his children are in my prayers.

Robert, rest in peace my brother.

Love,
