“ To Angie, Tommy, Robert, Cheryl and everyone, Carl and I express sadness at the loss of Bobby. What a character he always was; and so valiantly he fought his cancer. Bobby was one of my very first buddies, as Margaret and Binnie were such dear friends of my parents. We spent days together in the summers; and then ended up living right next door. I had "pepsi time" with both Margarets during summer vacation. So many lovely memories of great friends. Glad Bobby got to live again in that house, next to my dad for a few years. Love to all, Kendall and Carl###imported-begin##Kendall Rhodes###imported-end##
