“ Dear Wayne and Marsha and Family:

It is with deep sorrow of the news of your Father. I know you will miss him. It was back in 1997, when we moved to Sterling Cove, that you spoke so fondly and kind of him, having to move him into an Assisted Living.

My Love to both of you and your family the ones that use to swim in the pool

in a time of the loss of a Love one, of which you are never ready for.

May God Bless all of you.

Fondly, Betty Hoover##imported-begin##Betty Hoover##imported-end##
