“ Rob I love you with all my heart. I don't understand why your family is acting the way are to me. I did go and they all attacked me, but I left, and will go back in a day or so....but you know I loved you, and i know you loved me. I don't need to see your empty shell, your soul is in heaven. I love you my love, always will, we know the truth. We will be together again❤️❤️❤️🙏🙏🙏🐶
