“ Entire Robers Family, So sorry that we can not be there for the services. Bobby and I go all the way back to the 1st grade together and have remained friends thru all the years. Last week when I talked with him he still talked of one day coming down to visit us in NC. So long old buddy.

“ My deepest sympathy to all. Jason, Johnny, and Janis, you know Bobby called on me for years, and the stories of my dear friend are happy and many. I read his obit today or I would have been there to celebrate a life fully lived and enjoyed but his family was always first. I hope I get to share some stories with all of you about my great friend, great parent, and career hardware expert.##imported-begin##Sam Davis III##imported-end##

“ To everyone:

I thank you so much for all of your kinds words and support. Bobby Roberts was most definitely one of a kind and he will truly be missed by many.

There are many things I will miss about my stepdad. I will miss the canoe trips that we used to take when I was growing up. I will miss the yard sales we used to have together. Bobby Roberts could sell anything! Most of all, I will miss the Bobby Robert's stories he would tell that would go on for 30 minutes but could have been told in just 1 minute.

For those of you who couldn't be at the service today in person, it's okay. Your thoughts were with him and that's what's important.##imported-begin##Jennifer Shea##imported-end##

“ *Dear Roberts Family,*

*Heartfelt condolences to you on the loss of Bobby. Bobby and I worked in very close proximity our desks were right next to each other for about two years at Watters & Martin. Not only was he always available to help me regarding any questions about hardware, but his joyful, playful, spirit energized all of us in the inside sales department. He was one of those rare individuals who would light up a room when he entered it. I remember Bobby often. The world is a drearier place without him in it. My thoughts and prayers go out to you in this time of sadness.##imported-

I was so sad to learn of Bobby's passing; we grew up in the same neighborhood together and I remember him as such a nice boy. I know that continued into his adult life and though we lost touch I wish to send my deepest condolences for your loss.
