“ We are so very sorry to hear of the passing of Uncle Bob, he and Aunt Betty will be truly missed. Every Christmas I hang my stocking Aunt Betty made for me as a child, and think of all the wonderful chats I would have with them and my grandma. Much love and all our prayers!##imported-begin##Miranda Brickley##imported-end##

“ With deepest sympathy for the family...I have been friends with Mollie since junior high school. Back in those days I was known as "the Pollock" to Mr. Wilkerson! He was always kind and patient like a second Dad... It's hard to believe they have left us but my heart is happy that they are together.
