“ I will miss you my friend, always a warm smile and arms extended to embrace you. Working with you for many years, was like working with extended family. We shared so much watching our children grow up and become young adults, the tears, the smiles the quite conversations. There is a song that says "Your Beautiful" every time I hear it I will think of you and that smile. Rest well Robin. I will see you again.

“ I have extremely found memories of Robin as one my babysitters growing up in Shea Terrace. She would take my sister and I on the bus Downtown and we'd go shopping and have lunch at Woolworth's lunch counter. She was always so sweet and funny and I'm very sadden of her death. She came to my mother's wake last April and I was so happy to see her and now I take comfort to know she'll be seeing my mom again and that makes me smile. You were truly loved and will missed by so many.

Go with God Robin.

I'm in total shock. Saw Robin and her husband in Lowe's several weeks ago. She still had that same smile and looked amazing. I'm going to miss you. We played together in Old Towne when you came to visit your grandparents. We raised our children together. You always were strong no matter what was happening around you. I know you are with all the Angels Robin. May God comfort your family at this time and give them strength. I will always love you.

“ *I will dearly miss my dear cousin Robin and so many memories of our childhood in Olde Towne and especially where we played on Middle Street. Robin learned very early in life the importance of family. To Robin family was always first and a huge family it was. She was devoted and loved all of us and we love her. My heart truly goes out to John, Beth, Mark and Paul and the rest. For me, I have those beautiful memories to hold me till I see her again. Love, Gayle*
