“ Roger played football for the Warriors in the late sixties and I was a cheerleader. Haven't seen him in years but have fond memories of the fun our group had at games and dances. May he RIP. May God wrap his arms around family to provide some comfort. Deepest Sympathy

“ My name is Kenny Crone. I grew up in the same neighbor hood as Roger. In Park Manor section of Portsmouth, he lived on Boyd road behind our friend Bobby Dupree. I lived on Mimosa. We used to hang out together. One thing I remember is I saw him at Harborfest one year, I think in the late 80's or early 90 's. We hadn't seen each other in years. He was doing sound for a band that was appearing there. Can't remember who the band was. He took me back stage, showed me around and we drank a few beers. Great times! He was a great guy. Sorry to hear this. Seems I've lost touch with old friends a lot, and he was a good friend. Condolences to the family.
