“ *RIP Ronnie. I got to know Big Ron back in the day at SUPSHIP as we started the Habitability Program and we became good friends. He loved to go and watch my daughter on karaoke night, and even got on stage to sing his songs. I have to admit Big Ron and I would be the only ones in there knowing his songs because it was those by Dean Martin, Frank Sinatra and such, whereas Heathers followers were mostly in there 20's and 30's and didn't even know who they were but he enjoyed singing them. lol. My thoughts and prayers go out Shirley and family.*

“ *Shirley and family we are so sorry for your loss. We remember the time Ronnie came to stay with us several days because your home loss power for several days due to a storm. We had power and most importantly air conditioning. Also remember the good times on Friday nights when we went to dinner and the movies. The first thing Ronnie would tell the waitress is that we were going to the movies thinking they would care and hurry up the meal. Good times. Judy and John.*
