“ Betty, Ronnie and Grandchildren, I was so saddened to hear about Ronnie and my thoughts and prayers are with you. I met him and his family when we were just kids at church and, somehow, we ended up sharing the same big brother. I'd like to think Roby and Ronnie are together again on some great adventure up there. Ronnie was a very special person that I always felt could have done anything he chose to do. He certainly lit up any room he was in. I remember when he was in a production of 'Take Her, She's Mine' at the Portsmouth Little Theater back in the mid 1960's and how he stood out on the stage. Marie, from what you said about your grandfather, I'd say he never changed.###imported-begin##Glenna Cordill###imported-end##

“ Ron and I have been best friends since 1965 when I first moved to the Tidewater area. He was a kind and careing person who would do anything he could for others. We had a lot of great times and memories that I find myself talking about to others all the time. We attended all the rock festivals in the late 60s to 1971. We had the oportunity to meet many of our idols such as ; Janis Joplin, Grace Slick, Jack Cassidy, Jimmy Carl Black, Blind Al Wilson, Joe Cocker as well as many others. Even though I have been away from the area since 1971, Ron and I have always kept in touch with each other. Ron will always be my best friend and will live on in my heart and memories. Love you my brother !
