“ George and Family: We are saddened to know Rosal has passed away. We, too, have many wonderful memories from having worked together and then living in the same apartment building in our early marriage. Rosal was a talented decorator and we always admired how she could put things together and make them "click". She also passed on some recipes and advice that we use to this day. Our thoughts and prayers are with you. With love, Dick and Julie##imported-begin##Dick & Julie Jernigan##imported-end##

“ George, I will always remember Rosal and you and all the good times we had together. Working together, getting married the same year, and having children together. What beautiful memories we have.
