“ Just wanted to let Roscoe's family know how special he was to me. He was a good supervisor and mentor for me at NORSHIPCO. Jack, I'm sure some of those cold nights when he was on the wing-wall he much rather have been with us on the tug boad. Roscoe was a great family man, Jack and Bobby, you had a really cool dad. You and all of your family are in my thoughts and prayers.##imported-begin##Chuck Gresham##imported-end##
