“ I am so sorry that I could not attend the services but time is not always our own to do with as we choose. So many memories have come flooding back since I got the word. Wow! I empathize with the pain you feel now. I pray that you will soon be able to look back, as I am able to do at my father's life, and do nothing but smile at a life well lived and shared with others. There can be nothing finer. We all see things differently, but what I remember of her was a warm smile and a quiet chuckle. Chan Turner##imported-begin##Chan Turner##imported-end##

“ Mrs Garrison was always a favorite teacher of mine. She never made me stay within the lines. : She encouraged me to draw as I wanted and not as others expected.
Thanks Mrs Garrison for having faith in me..

“ You know each of you are in my heart. This is the end of an era, Grandma Ruth was one of a kind. She was a true lady. But she will live on in each of us. As the lessons she taught us by example are written on our hearts. I will see all of you on Monday.##imported-begin##marylou mcalpine##imported-end##
