“ To the Guerico family,
My wife Ruth and I were very sad to hear about your loss. I have known Stephen for a lot of years and he has always been a good friend. Losing a loved one is always sad yet the sadness gets better when we think of time of joy.
Try to think of these times and remember them and keep them close to your heart. You are in our thoughts and prayers.

“ Suzanne, Stephen and families:

Words cannot express what I am feeling right now, but I would like to express my deepest sympathy to all of you. I know that dealing with a loved one's death is not ever easy.
I truly wish I could be there with all of you, but it was just not possible. Hopefully in the near future, we will be able to get together.
My prayers are with all of you and may the peace of God be with each and every one of you.

Sincerely,

“ *Suzanne and Stephen,*

I'm so sorry for your loss but so proud of how you have taken such good care of your father now and through the years in his declining health. "Ex20:12 Honour thy father and thy mother that thy days may be long upon the land which the LORD thy God giveth thee." His passing was such a shock when to us and the doctors he was improving from the surgery. He can no longer speak to you, but your faithfulness will be rewarded.
