“ Meg,  
Gary and I just heard of your loss this afternoon. Even though we have not seen you in years, we will always remember how much your Dad loved both you and Karen. The two of you use to run up and down the lane in the rain!!

Gary and I also had many fishing trips with your Dad. He was quite competitive and always had the biggest fish story to tell!!

I am sure you will miss him very much. Please stop and see up if you are ever on Smith's Neck Road.
