“ *Sad to hear of her passing. She was my Sunday School teacher when I was in middle school. I remember the testimony she gave to our church at the time, which was Sweethaven Baptist Church. She was a lovely person. Blessings to her family.*

“ *I was very sad to hear of Eunice Death. Although we never got to spend a lot of times together, I will always cherish the memories and times we did get to spend together. I know she is now with God because she was a very dedicated Christian Woman. Always concerned about people not being right with God. My Prayers go out to her Children in their time of sorrow. May God guide you to be like your Mother has lived her life.*

“ *I remember the sparkle in my Dad's eye when he introduced us to Sandy and told us that they were engaged to be married. We are so appreciative of the joy that she brought him and all of the good times that that shared. We are so sorry for your loss. Your family is in our prayers.*
