“ *Sharon was a very loving and caring person. Always fun to be around and she loved her family dearly. She was always putting others first. She is going to be missed and I know that heaven has gained a special angel. She has reunited with many loved ones and smiling that huge smile. I pray for those whom she left behind that time and precious memories will help ease the pain of her passing. God continue to give her family strength...especially her children and her sweet sister, Leslie, who was so very close to Sharon. Love you and rest in peace with no more suffering.*
