“ Marilyn and Stephen I was really sadden when I heard about your daughter Shelley. I just found out today thru an e-mail from a friend. Even thou I didn't know Shelley personally I am sure she was a wonderful person because she has a wonderful Mother. Marilyn I hope you remember me - I was your secret pal many years ago at our SEVA meetings. May God bless and be with your family.##imported-begin##Betty Pope##imported-end##

“ Shelley is in my memory for many reasons....Crystal and I used to drive her to school....we played softball together, we went to school together, but most of all, we grew up in the same neighborhood. Shelley was a WONDERFUL person and had a very infectious laugh. I wish I had spoken to her recently, but I had not....I give her family nothing but my sincerest prayers and thoughts. God bless you all....Mr. and Mrs. Jobe, Steve, Carrie, and of course the extended family as well. Love, Kelly and the Marsh Family##imported-begin##Kelly M. Marsh##imported-end##

“ *To the Jobe Family:*

No words can express how deeply saddened we are that an angel has been taken from you and all. Your child and sister have touched so many, including myself, that void will not begin to define how life will feel knowing she is no longer here. Although years and miles apart Shelley will never be forgotten. If I know anything, it is that she is comfortable up there on the right side of the lord ringing that laughter and bringing him joy. May peace and blessings be with you.

“ *I remember Shelley dashing down the halls of WBHS, chatting with her about Uncle Sammy, her working at Coleman's Nursery when it was cold outside, talking to her at Captain D's in Churchland as she had just gotten off work at a doctor's office she's so cute in her nursing outfit. She was so proud of herself and loving life. Come unto me all ye that labor and are heavy-laden, and I will give you rest. Matthew 11: 28##imported-begin##p. c. archibald##imported-end##*

“ Mr. & Mrs. Jobe, Carrie, & Family:

I would just like to express my deep condolences for everyone. I grew up with Carrie and Shelley. No one can ever forget Shelley and that infectious laugh giggle of hers. I laugh now just thinking about it. I would often run into Shelley in groceries stores, etc. throughout the years and it seemed as though time had never passed. She was always so bubbly and just so full of life that you couldn't help but love to be in her presence.

Carrie, it's been awhile since I've seen you. I hope that you're doing well and that you're getting through this tough time with the support of your family and friends. If you ever need anything, please feel free to contact me.

The services for Shelley were beautiful and the slideshow was just how I will always remember her! Our family will continue to keep you in our prayers and even though your foundation of Christ may have been rocked by such a loss just remember what the pastor said today about the loss of David. Shelley may not be coming back to us on earth but through our relationship with Christ we will all see her again!! Please try to remember this on those trying days when you are missing her so much. “ Marilyn,

I was deeply saddened to hear of your loss. I saw Shelley last year during my doctor's appointment and she seemed genuinely happy to see me. It was so good to see her so many years after my "Marlin Club years". She still had the beautiful smile and sweet face that I remembered so well.

“ Marilyn & family,

When Tomorrow Starts Without Me

*When tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes
All filled with tears for me;*

*I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We didn't get to say.*

*I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you'll miss me too;*

*But when tomorrow starts without me,
Please try to understand,
That an angel came and called my name,
And took me by the hand,*

*And said my place was ready,
In heaven far above,
And that I'd have to leave behind
All those I dearly love.*

*But as I turned to walk away,
A tear fell from my eye
For all my life, I'd always thought,
I didn't want to die.*

*I had so much to live for,
So much left yet to do,*

*It almost seemed impossible
That I was leaving you.*

*I thought of all the yesterdays,
The good ones and the bad,
I thought of all the love we shared,
And all the fun we had.*

*If I could relive yesterday,
Just even for a while,
I'd say good-bye and kiss you
And maybe see you smile.*

*But then I fully realized,
That this could never be,
For emptiness and memories,
Would take the place of me.*

*So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart.*
