

Stephanie Dawn Mutter Green

May 30, 2016

Stephanie Mutter Green, 31, greeted Jesus face to face on Memorial Day, May 30, 2016 after a courageous fight at Duke Medical Center.

Stephanie was an honor graduate of Portsmouth Christian Schools in 2003 and graduated from Christopher Newport University in 2007 with a double major in Psychology and Sociology.

She was a double heart transplant recipient, receiving her first gift of life in 1995, at the age of 10, and the second on Easter Sunday, 2016.

In 2007, she married the love of her life, James Green, and in 2012, they welcomed their precious daughter, Emilyn Raleigh.

Stephanie loved life, and loved everyone she met. She never met a stranger. Her faith was unwavering and her outlook on life was infectious. She had a contagious laugh and the brightest blue eyes that would light up any room. Her presence on this earth will be missed by everyone she touched. Through Stephanie's life journey, she has been a strong advocate for organ donation, and to honor her, she hoped all would consider the gift of life through organ donation.

Along with her husband and daughter, she is survived by her parents, Billy

and Gwen Mutter; her sister, Amber Strickland and husband Kyle; her maternal grandmother, Iris Blackman and numerous extended family members. Stephanie is also survived by Christen Stevens, with whom she shared a most special bond. She will also be tremendously missed by her furry child, Maya.

A celebration of Stephanie's life will be held on Monday, June 6 at 3:00PM at Deep Creek Baptist Church 250 Mill Creek Pkwy., Chesapeake, VA 23323. A visitation with the family will be held prior to the service at 2:00PM in the church. Stephanie's request was that no one wear black, only bright colors. Loving Funeral Home will be handling the arrangements.

In lieu of flowers, memorial contributions for Emily's education account may be made at any Towne Bank location. Checks must be payable to James Green or Amber Strickland.

Plus, you will never have to worry about not being able to sleep. :-) Wish I could of scene the awe in your face as you stepped on Heaven's shore. 'Til we meet again know this, every time we see a Rainbow or a Tweety bird we will think of our precious Munchkin that taught her teacher so much. "LOVE YOU BIG."

“ *My deepest sympathy is extended to the Mutter family who has lost this dear sweet courageous child.*

When my adult son died in December 2014, I was at first stunned and then angry because I was not yet through with him, no matter what other plans were...I still wanted to share his life, but alas that is not to be.

You all will remain in my thoughts during thus time of great grief.

“ I really have no idea how Im going to live the rest of my life without Stephanie. She brought me through so many impossibly hard times in my life with her incurable optimism and extreme faith. She was the balm to an extremely broken heart occasion after occasion and I truly credit her with being the reason Im still alive. Ive cried so many tears since Monday and I just can't seem to get them to stop. Our last conversation (the Tuesday before Memorial Day) she told me she had dreamed about me the night before and she felt so close to me in spirit. She had no idea how much I needed to hear that and how much I needed her. Im so thankful to have had this most beautiful soul in my life for the time I did, and Im so thankful that every time Drew (my son) sees rainbows and butterflies, he says that its his Auntie Steph (what he called her) visiting him. Ill miss her until the end of my days, but Im going to live more fully in her honor, because I know she would want it that way.

“ *May the Lord comfort you and keep you all during this difficult time.*

I wanted to share just a short story: I met Stephanie a couple of times while I was in college at ODU through Mindy Ballard; and as the world is such a small place also met her through Kim (Gibson) Daugherty whom I did summer missions with. Stephanie greeted me with that huge heart and smile she had. I was reconnected with her about a month before her second heart transplant by Mindy in hopes she could share her adoption experience with me. I told Mindy I didn't want to bother her as I knew she was going through so much health wise at the time but she mentioned to Stephanie about my husband and I's situation and Stephanie insisted that I contact her. From that moment on we began exchanging emails and texts. Those brief interactions with Stephanie have made a lastly impact on me. In her time of need she so selflessly made time for me and blessed my life with her endless love for others.

I pray for you all during this time and ask God to grant you peace knowing she is in her new HEALTHY body watching over everyone!

*God Bless
