“ My codolences to the family. I am sorry that I am out of town and will not be able to attend Steve's funeral. Steve was one of my first officers when I came into the fire department and he taugh me a lot. When I got involved with the Credit Union he was chairman of the Credit Committee that I served on. The one thing I knew about Steve was that he could do anything and always did it well. I have a lot of good memories that I will always cherish.###imported-begin##Stuart Wells###imported-end##
