“ I've known Steve for 4 years now, and worked with Steve at Florida Ave for amost two 2 years. Every morning I would see Steve at the lunch table having coffee and reading the paper. Steve's comments would be the coffee is terrible, but it's better than the XXXX in the paper. Steve had a good heart, was a valued friend, and a brother vet who I already miss. A fond Farewell to Steve!!!##imported-begin##Dan O'Connell##imported-end##
