“ To the family and friends of Jack,
I worked at Womble Generator for several years. Jack was always a
joy to visit with. His stories about his life and his brilliant blue eyes.
We had a cake to celebrate his 75th birthday and he was really
moved. The retirement celebration for Griffin Enterprises at that
restaraunt that is now gone was a memorable event. My life is
better just because I knew Jack. He definitely earned his wings for
eternity.
May Peace Be with you##imported-begin##Karen

“ Jack is a great friend and wonderful person. I had the pleasure of
knowing him through CJ, "THE SHOP" and working from time to
time on wrecker calls. He truly touched many people in different
ways. If GOD needed a wrecker crew he has one now with
