“ *My Aunt Susie was a constant in my life growing up, as I spent a great deal of time at my Grandparents house. Aunt Susie played with me a whole lot; it was almost like we were both kids. There were plenty of times that I got on her nerves too, and she was not shy at all about letting me know it. She almost always had a smile for you though and a kind word. I will forever miss her. I do take comfort that she is in Heaven with Grandma, Granddaddy and my Daddy. I know she has missed them. I love you, Aunt Susie.*

*Susan was a loving member of our Lucas Lodge family. She gave us the best of herself for over 20 years. She had a laugh that was so contagious, it would get everyone engaged in the laughter. Susan would request a card and a balloon every year when it was close to her birthday, and later in life, whenever she felt it was in order to receive them. Susan will be truly missed by many of her friends and staff. Our condolences are extended to her family at this sorrowful time of loss.*
