“ *To Brian and sons:
I regret to hear of the lost of your wife and mother. My prayers have been prayed and will continue to be prayed for you and your sons. Trust God and he will strengthen you and your family during this time in your life. For he knows what is best for our lives and we were made for his glory and honor; and even in death, he still gets the glory. Brian, you are my friend and my angel that God has sent my way. You are a blessing to me. Your wisdom and knowledge is superb for a man your age. Whenever you need me day or night, call me and I will be your friend as well as your angel for life. May God bless you and keep you and your sons.##imported-begin##Hearlen M. Trotman##imported-end##*
