“ Terry was special to a lot of us at the Tiger Team! She had special names for a few of us, mostly ending with something"-poo". When I last talked with her, it was on her birthday last year and she sounded good and chipper. I know she will be missed and I pray God will comfort you all as only He can during this time!

I truly wanted to be there for her services, but had come down with a virus and didn't want to take a chance to spread that. I know she'll be missed; but hold on to the fond memories!!
