“ Love and tribute to my mother, the matriarch of our family. She was always there, sharing love and whatever she had to give. I keep thinking about her hands; hands that did so much for everyone and who, when things were hard, were folded in prayer, always telling and teaching us to lay our burden on the Lord and he would carry us through. I can't fathom the rest of my life without her, but know that her example will be my guiding light. Much love and honor will follow her and I will always praise her life and memory. Mama, please tell Daddy happy birthday today and give him a big hug and kiss for me.##imported-begin##Connie Gordon##imported-end##
