“ My heart is heavy for all those beautiful children you have. I know they were your life and grateful for the time they had. Me I am so sad. I remember when I first met you and you welcomed me to the family even though there was no relation by blood. I always felt warm and welcome when I was there in your home. The massive dinners you had to make sure when i went back to work I went on a full tummy, but, then again that was your nature. A beautiful woman and beautiful family. When I come to visit going to Dennis's just wont be the same. Love you ma and will see you again. Peace to you and the family say hello to dad for me. Bless you my friend your journey is complete.

“ Mom,
Your journey here on earth has ended ,but I
will always treasure the time we had.
I loved how I could always make you laugh
and the marathon days of
watching"Everybody Loves Raymond" .I'll never forget how you
would wake up in the middle of the night because you had to tell me
about a past memory. Most of all I'll always remember watching you
and Dad dancing around the room while all of us cheered you on...
Mom ,now's your chance again-I hope you dance
I will miss you
Love,
Roe
