“ My condolences to all th family, particularly Kay's children and grandchildren, I know she will be sorely missed, but remember she is no longer in pain or suffering. Kay is my first cousin and I found a lot of support from her and her late husband Don when I was stationed in the Tide water area. The both of them were very good to me and my family during that time in the late 80s. What a sweet girl. Love you cousin Kay R.I.P.

“ I can remember when I was told that I had breast cancer and how Kay helped me cope. Such a friend is had to find these days. I really want to send my sincere sympathy to her family and friends. I know that it is hard to do at the present but try to remember the good times and realize she is no longer in pain.
