“ Mrs. Duvall,  
I don't know if you remember me, but I'd first like to express my sincerest sympathies on the death of your husband. He was my teacher at Kempsville Jr. High Algebra 1 and also at Green Run High in 1981-82 Physics. You were also my Chemistry teacher the year before. I had the pleasure of coming back to Green Run and calling both of you my colleagues in 1986. I have now been teaching 23 years and am the Social Studies Dept. Chair at Salem High School in Va. Beach. I'm sorry that I found out so late that Mr. Duvall had passed, but I do want you to know that my thoughts and prayers are with you and your family at this time. Mr. Duvall was certainly one of my favorite teachers, and I'll always have fond memories of being in his classes.  
Sincerely,
