“ I first met SKCM Guckes when I was a first class on the USS LaSalle. I was there TAD from CNSL and he came onboard to train me on Ported SNAP II. Because of his teaching I credit him as being one of the reasons I picked up Chief. Tom...you will be greatly missed. My thoughts and prayers go out to his family. You can always be proud to know of all the lives your husband/father touched.

Deepest sympathies.

“ Although I never met my boss, cause that's what I called him when I was doing engines here at CNAP, my favorite part of the week was definitely Wednesday...he would email me "What day it is?", and I would always respond with HUUUUUMP DAAAAYYYY!!! Then a call would usually follow. RIP Boss!!!

Virgie and Family, I wish there was something I could say to ease your pain. My sincere sympathies go out to you. Tom was a very good friend and great co worker. He meant alot to many and did so much for all he encountered. I admired him for many things but mostly as a caring man who loved his family so much. He will be sorely missed by many but I feel Tom left us all with alittle wisdom, happiness and love. He will be watching over us all, his family, co workers (past and present) and good friends. That was how he was, a friend to all. I know for sure that he and his good friend John Brown are together, in peace and happiness, with our Lord. Our prayers are with you. Sincerely Jim and Jane Huggins
