“ While I only had a chance to know Tom for the last 5 years, I will cherish the memories I have of him. He always made a point to welcome me and tell me, "you get more beautiful every time I see you". All of our visits were filled with laughter and he always showed interest in my job and family. I pray for Alma to have strength and for fond memories to help Tom, Tim and Tanya in times when they will most definitely miss their Dad.
