“ Gary,
I am not sure if you remember Steve & me - we are the former owners of Hague Pharmacy. We are saddened to learn of the passing of Tom...we thought the world of him and of course, you. Know that you are in our thoughts and prayers...we know that these are difficult days and only the memories of happier times help us during these times of grief. We are thinking of you and Tom's family.##imported-begin##Nancy Schreier##imported-end##
