“ *What a blessing it was to have a chance to spend some time together in Traverse City with you, Kaitlyn and Ryan. It was clear how much you loved your daughter. We enjoyed talking about your hobbies; photography, football, your awesome car and motorcycle and hearing about the fond memories you had vacationing with Kaitlyn. God must have great plans for you. We will hold Kaitlyn in our thoughts and prayers for you. May you rest in peace- God bless. Tom and Judy Ware.*

“ I was in the Restaurant business for over 30 years with 8 restaurants. Roger was always a great friend and loyal supporter of all my places. I always knew that what ever I did he would always be there for us. I am gonna miss that smile and his words of encouragement . Roger is truly a loyal friend and heaven is getting a great man.

*Much Love and Respect to his Family...*

“ Kaitlyn & Family, May peace and comfort find you during this difficult time. Words cannot even begin to express my sorrow. May our memories give us peace and comfort. Embrace today with a rested heart, celebrate his life, cherish the memories of yesterday and the laughs we all shared with Roger. Like treasures they will continue to shine, to warm our heart, soothe our soul & make us smile (Roger surely always made everyone smile). There isn't enough time to tell the story of what a wonderful, giving, generous, kind-hearted man Roger was. I was truly blessed to call him a dear friend. I do regret him never meeting my son Brady; we chatted about doing a photoshoot but kept putting it off. I am once again reminded of how short life is. I will treasure all of our memories and always think of him when I visit Key West, one of his favorite spots. Rest in peace my dear friend. You will be greatly missed.

“ I met him first when I was 7 we lives few houses from him an his family. Thought he was so cute. . Few years later him an Larry has a fight at ball field over me. Lol. Haven't seen him since his family moved from Cradock except at a concert on the beach. Kept up with him on FB. He was taken way to young. Sorry for his family. I could tell he loved his daughter very much.

“ I have so many memories of my dad but I would have to say the one I will always remember is New York. It was a place that my dad had taken my cousin and I to venture for a good week. I loved it there, but only just to visit. My dad wanted to live there haha. I will remember the horse drawn carriage and feeding the horse as well and dad educating us on history that had happened there.. My dad was always my own little paparazzi and I will never forget all the times I would glare at him because of just how many pictures he would take of me haha. I know that it was because he loves me and he is proud of what he had made and who I have become.. I will always love him and I will continue to bring all of his joys of photography, golf, and Harley's with me. RIP dad. ❤️
