“ Just wanted to let you know that you are in our prayers. As we both know Aunt Velma had been planning this trip for a long time. She told me so many times of late, "He is with me now and he will be with me then, he will be with me all the way, all the way to heaven"...I have no doubt in my mind that he was and that she is now there celebrating with family gone on before. Take care and God Bless!!##imported-begin##Carolyn##imported-end##
