“ I'm sorry for your loss. My father worked with Sam and Tommy, I remember her visits to our house. Her and Tommy came to my wedding in 1988 and danced the night away. When I think of Verna, I think of a warm smile and a sweet soul. May she rest in peace.

“ Verna was part of our extended family at the spine center for over twenty years. A force of nature, her energy and kind heart were a testament to an ability to survive life's tragedies yet always smile and support others. She taught us grace and perseverance.

Her memory will always be a blessing to me and my family.

She will be missed

“ I first became friends of Verna's while working for the Spine Center. She was a "ball of fire" who never seemed to stop. We know she loved music and dancing and I will never forget watching her dance with Tommy Brown while he was in the nursing home. He was in a wheelchair and she held his hands while they spun around. He had such a look of joy on his face watching her twirling him! That is the same joy she brought to all who knew her. She called me daughter and I was proud to be one of her many, love, Sheila and Thomas
