“ *Cliff and Sue,*

We have been praying for you and the family during this time. Stay close to God and He will give you peace in your hearts during these times. A peace the world cannot give you.

I will never forget the time I first met Vickie. It was when you lived in Willmington and we went to visit her and Mel on Thanksgiving.

Vickie treated me like her own son. Your mother was a wonderful person! Thanks for sharing her with me.

Love,

“ Dear Cliff & Sue:

Even though I am unable to be with you in person, my heart is with you. Thank you for sharing your mom with me - she was such a precious woman. From the first time I met her, I knew that there was going to be a lifetime connection with her. I'm thankful for the time I spent with her and all the years that I got to know and love her. I will truly miss her smiling face, but will always remember it.

Her love shows through each one of you and your children.

Know that I am with you today and always will be there for you if you need anything.

All my Love,
