“ Viki was one of the sweetest girls I ever knew from the time we were kids, hanging out at the Griffin house, until the last few times we talked, during my surgical follow up visits where she worked in Harbor View. I still drive down Logan Drive and remember the great times at that house and the great family that lived there. My deepest condolences to Jeff, Greg and the family and friends of Viki.

“ Dear Gregg, Jeff and family, I am so very sorry to hear about Viki. She was just a teenager when I came into the Griffin family and grew up to be a wonderful wife, mother grandmother and friend to everyone. She was always so sweet and warm to me and my family and I know you all will miss her dearly. I know Aunt Gloria was so proud of her especially how she carried out Aunt Gloria’s Thanksgiving traditions. My thoughts and prayers are with all of you ; I am so so sorry. Sincerely, Karen Cooper

Dear Griffin Family . . . I am truly sorry to hear of Vicki's passing . . .it came so unexpected . . .I know her love of family was tremendous and it will leave many hearts broken. The Griffin family was such a big part of Logan Street activities . . .and she continued the traditions her Mother was famous for after her passing. . . I Hope all her family's hearts are overflowing with all the love and memories she created with love and the healing of the broken hearts heals with those memories to cherish.

Again I am very sorry for your loss and my thoughts and prays for all the family will continue during this difficult time
