Tribute Wall

“ God speed your journey to heaven, Aunt Virginia; you have earned a special chair there. You will remain in my memories and heart forever; you taught me that a positive attitude will carry you beautifully through life. Worry does no one any good and is counterproductive. And, you taught me that everything is better when cooked with bacon! I will miss you dearly - you will always be part of me. As I always said, when I grow up, I want to be Aunt Virginia, and I use you as my role model daily. One day we will be together again, and I will bring plenty of fresh pineapple, blueberries, raspberries, and strawberries for us to share. I love you dearly, Aunt Virginia; thank you for being such an uplifting presence in my life. Adair##imported-begin##Adair Rountree Hey!##imported-end##
